Hi Katsu,

Thanks for checking in – we had a productive conversation with Ken Kawai last week and are working internally to plan the path forward. We will be in touch once we have prepared an initial draft of the documentation.

Hi Valian

As an exchange, we are supposed to be neutral but I would recommend Anderson Mori.
One of the top 3 law firms in Japan and the leader in crypto.

And Mr. Kawai is their go to guy.

do you want an introduction?

kindest regards

Mike, Katsuya & Steve,

It was a pleasure speaking with you all last week, thanks again for taking the time.

Regarding the application to list Grams in Japan, can you advise if there are certain Japanese law firms that you've worked with in the past or that are otherwise familiar with the application process (including issuing the required Japanese law opinion) that you would recommend Telegram engage to assist in the application process?

Thanks,

Valian
